Dear SearchReady, Inc.

I would like to formally commend SearchReady and its outstanding staff for the excellent service you provided Bleyle Elevator, Inc. You have provided our company with an exceptional website that we are proud to have representing us.

I have never before written a letter like this on an entirely unsolicited basis. However in this case I was so impressed by the support and service provided by SearchReady that I was compelled to express my gratitude. What particularly impressed me about your service was how you held my hand to educate and guide me through the process of building a website.

Building a website is a new experience for us and we have appreciated you guiding us through the process. You have provided customer service and support well beyond our expectations. We look forward to continue working with you on our internet marketing and Search Engine Optimization.

Sincerely,

Sophie Bleyle
